## GO-TIME

Play Ball! Come join OTA for our ALL games ALL the time after school program. Gotime's exclusive game-play format features a variety of sports (Basketball, Soccer, Flag Football, etc.) and will be structured as a REAL GAME from start to finish. Loosen up, warm-up, and choose up sides, then get ready to play! Coaches will organize each game to teach kids the rules of competition, team play, and sportsmanship. We have always believed athletes get better the more they play. Here is your chance! This organized scrimmage every week will give players the opportunity to test new skills and get more comfortable in game situations. Come be a part of our TEAM!

**Time: 3:15pm – 4:15pm**

**Grade: K – 2<sup>nd</sup>**

**Min: 8 Max: 30**

**Price: \$144.00**

## MAD ABOUT HOOPS

Do you wish your kids would love being psychically active? Do they enjoy spectacular performances like Cirque Du Soleil? Then Mad About Hoops is perfect for your child. Each week the kids will learn cool hoop tricks, hoop dance moves and partner moves! This class will improve balance and coordination while burning up to 400 calories per hour. Not only does hula hooping create healthy bodies, but it's a great way of building self-confidence through creative movement! You'll be so impressed with your hooper stars at the end of the semester, you'll think they joined the circus!

**Time: 3:15pm – 4:15pm**

## MAD SCIENCE

We all know that what goes up must come down, but did you know that gravity can be suspended in certain conditions? This after school program will help students explore the fundamental forces of our universe, including Newton's Laws of Motion. Send atomic coins spinning through a vortex! Launch catapults to experiment with the concepts of potential and kinetic energy. Build some super structures and take a look inside your favorite machines! Students will gain a new perspective on the world around them through exciting demonstrations and hands-on activities. Let's have fun with some fantastic forces! James Bond? Sherlock Holmes? Do you think you have what it takes to discover "whodunnit"? This program explores the ins and outs of forensic science and encourages creative thinking and analytical skills as campers work together to solve a series of mock crime scenes.

## CREATIVE DANCE

Hip Hop In this class, we'll learn choreography to a hit song. This is a high-energy dance form that uses the latest AGE APPROPRIATE Hip Hop and Pop music, coupled with dance steps influenced by some of today's finest dance choreographers. The style incorporates poppin', lockin', and body isolations. Students will learn old school as well as the trendy hip hop style of today, all while emphasizing each dancer finding his/her own individual swagger and style through improvisation. Hip Hop is a fun, high-energy way to express oneself in a big way! Creative Dance Kids classes strive to foster each child's creativity and determination while nurturing his/her capacity to take risks, to strive freely, and to take pride in success. Parents, family and friends are invited to attend the final class meeting on Dec. 7th to see what we've learned. Please wear comfortable clothes and sneakers.
